Asthma Management Program (AMP)

For OhioHealth Associates

The OhioHealth Wellness Asthma Management Program helps participants understand and better manage their condition to live a healthier lifestyle.

The OhioHealth Wellness Asthma Management Program provides education, support and access to pharmacists to help participants better manage their overall health. This program is available to OhioHealth associates, spouses and dependents enrolled in myHealthPlan. Active participants receive discounts on formulary asthma medications through OhioHealth's outpatient pharmacies once any applicable insurance deductible is met.

Benefits of participation include prevention of asthma exacerbations and improved medication adherence.

Eligibility is easy!

To be eligible for the Asthma Management Program, participants must:

- Be an active myHealthPlan member through OhioHealth with a diagnosis of asthma
- Complete telehealth appointments with a pharmacist
- Review your personalized care plan
- Be an active participant in the management of your care

Help with medication costs

As an Asthma Management Program participant, once your deductible is met, the plan will cover formulary medications for asthma at 100% of the cost.* Please note that until your deductible has been met, you are responsible for all medical and drug expenses.

Your medication must be filled through an OhioHealth pharmacy. Pharmacy locations include the New Albany Medical Campus, Marion General Hospital, Pickerington Methodist Hospital and Riverside Methodist Hospital.
