# Evidence of insurability (EOI)

## Instructions for online submission

### What is EOI and when is it needed?

2. Your information may pre-populate on Lincoln's portal. Review it and ensure that the portal is displaying the correct coverage type you're applying for. If you have questions, please contact your human resources representative.
3. Select **Complete Evidence of Insurability**.
4. Answer questions about you and other applicants, including:
  - General applicant information, such as birthdate, height, and weight
  - Qualifying questions, including if you or other applicants have been diagnosed with a disease or are prescribed medications for a medical condition
  - Medical questions — if you or other applicants have a health condition, we may need more information, such as the name, diagnosis date, and treatments.
5. Review your responses, then electronically sign and submit your application. Save your confirmation.

### Submitting EOI made easy
