## How it Works

The PPO Assist+HRA plan is identical to the Core PPO plan but with lower premiums and the addition of a 100% funded Health Reimbursement Account, or HRA. An HRA is an employer-funded account that reimburses you for qualified medical expenses. You can use it to cover your plan deductibles and co-pays.

100% Funded HRA

Like all our medical plans, the PPO Assist+HRA provides associates with 100% coverage for in-network preventive care.

Remember, you save the most money when you use providers at the following Tier 1 locations:

OhioHealth Physician Group | OhioHealth Facilities | Central Ohio Primary Care Providers | Nationwide Children's Hospital | Cleveland Clinic

In addition, if you are enrolled in the PPO Assist+HRA plan, you will qualify for OhioHealth's Charity Care, which when combined with the HRA should offset most of your out-of-pocket costs.

## How to Apply

To see if you qualify for the PPO Assist+HRA apply via Workday. Be prepared to share your IRS form 1040 in the application.

New hires have 30 days from their start date to apply for the PPO Assist+HRA. Once your application is approved, you can enroll in the plan.

Eligible associates need to reapply each year.
